QUOTE OF THE WEEK

"Do not follow where the path may lead. Go instead where there is no path and leave a trail."

- Harold R. McAlindon

LAUGHTER IS GOOD MEDICINE-Don't blame me, these are what you send me.

TIMES HAVE CHANGED

Trying to explain to our five-year-old daughter how much computers had changed, my husband pointed to our brand-new personal computer and told her that when he was in college, a computer with the same amount of power would have been the size of a house.

Wide-eyed, our daughter asked, "How big was the mouse?"
